Sic Bo Debuts

AT THE GRAND VILLA CASINO

Burnaby, BC (June 10, 2011) –Grand Villa Casino, Burnaby's award-winning gaming destination, is raising the stakes with the introduction of a new table game. Grand Villa Casino is excited to introduce a new Sic Bo game, which is the first to debut at any casino in British Columbia.

Sic Bo, is an ancient Chinese game in which three dice are thrown, and players have the option of wagering on a large number of betting options and odds. Sic Bo's appeal is timeless. Its origins have been traced back to the exotic port of Shanghai centuries ago and today it is played in modern casinos around the world.

We are always looking to introduce exciting games that our guests will love and Sic Bo is sure to be a big hit," said Darcy Romanin, Executive Manager, Table Games. "Sic Bo offers players an unforgettable gaming experience with a wide range of winning chances, large range of odds (from even money to 180-1), and a fast pace."

Sic Bo is played using three dice in an electromechanical dice shaker which is covered by a brass dome. The Dealer presses the Deal button in order to shake the covered dice. Players place their betting chips on their anticipated results. When all bets have been placed, the Dealer calls, "No More Bets", and removes the lid on the dice shaker. The winning bets illuminate so that the results and winning odds are easily seen.
