An Important Update for our Valued Customers:

The health and safety of casino customers and employees is a priority for Gateway. Over the past three days, the Governments of British Columbia, Ontario and Alberta have declared States of Emergency and ordered that all casinos shutdown. These measures are part of the governmental efforts to contain the spread of the COVID-19 pandemic. In light of these extraordinary measures to temporarily shut down these facilities; we have taken immediate steps for an orderly shutdown of our operations as mandated by the governing parties.

ALL GATEWAY CASINOS LOCATIONS ARE CLOSED UNTIL FURTHER NOTICE

This action is consistent with the recommendations of the province's public health officials related to new precautionary measures for COVID-19.

We are uncertain of how long this closure will be in place but we will continue to work with the government and rely on public health recommendations as the situation unfolds.

We look forward to welcoming back our employees and customers at that time.

We encourage our customers to regularly check our websites and social channels for updates.

Thank you for your understanding during this difficult time.
